

King's School Mt Eden Bus Service

Dear Parents and Caregivers,

Coachways is very pleased to advise that from Monday 12 October 2026, we will be operating the Mt Eden bus route.

Route and timetable

Please see the following page for the route we will be operating. We understand this may be slightly different from the current route, however, we expect to review it very soon after starting.

How the Coachways Card works

Coachways operates a prepaid contactless card system, similar to Auckland Transport's HOP card. Parents or caregivers purchase and register a Coachways Card for \$50.00. Of this amount, \$10.00 is for the card purchase and \$40.00 credit is applied to the card for travel.

Each time a child tags on, the appropriate fare will be automatically deducted from the card balance. Students are also required to tag off when exiting the bus.

The card can be topped up online by credit card. No other forms of payment are accepted for top-ups.

Account information and account balances are available online.

First day of service

We are aware that our bus cards will not be available on the first day. Please prepare your child to give our driver their name, and the fare will be manually deducted from the card once purchased. Please purchase the card as soon as possible to help reduce administration and allow us to get your child's card ready promptly.

Cost per trip

The cost of each one-way trip is \$5.20.

Purchase your child's card

Please deposit \$50.00 into the following account:

Account name	Coachways Limited
Account number	12-3615-0029612-054

	Particulars	Code	Reference
Their statement	Mt Eden	Child First Name	Childs Last Name
Your statement			

Please use the payment details above and the same name your child will give to the driver on Monday.

Once we have received payment, our driver will give your child the Coachways Card, which will also have instructions on how to register the card. Please note, do not use this account to top up your card.

Track your bus and contact us

Coachways also has a Bus Locator, which allows you to see where your bus is in real time.

To access the Bus Locator, go to <https://app.fleetpin.co.nz/locate/coachways-ltd>.

Scroll down to "Kings-Mt Eden" to view your bus.

If you have any questions, please contact us Monday to Friday on 09 276 4130 or email admin@coachways.co.nz.
